

Permission Request for 49 Apperley Road, Stocksfield

We are in the process of purchasing 49 Apperley Road and would like to request permission for a chicken coop and run to house 5 hens (no cockerels).

They would be situated in the area marked by the orange box (see map below). They will not approach closer than 0.9 metres to any boundary. The chicken coop and run will not be fixed permanent structures. This is to allow us to move them within the highlighted area.
